

Procedure to be followed by Applicant for Battery Waste EPR Registration through CPCB Battery Waste Management - EPR Portal

1. The Applicant shall visit Battery Waste Management System Portal. The link is given below,

[EPR Battery \(eprbattery.cpcb.in\)](http://eprbattery.cpcb.in)

2. The link will direct the applicant to the Home page of Battery Waste Portal.

3. The applicant may follow the Step by Step procedure as per the Guidance Manuals and Instruction sheet listed separately for Registration of Producers, Recyclers, Refurbishers.

4. In addition to that, The portal lists the Battery Waste Rules and its amendments.

The screenshot displays the EPR Portal for Battery Waste Management. On the left, the CPCB logo and name are visible. The main header includes the portal title and its purpose. A navigation bar at the top lists various options, with a white arrow pointing to the 'Rules' dropdown menu. A tooltip below the arrow lists 'NEW Battery Waste Management Rules, 2023' and 'NEW Battery Waste Management Rules, 2022'. On the right, a circular diagram illustrates the EPR process: 'EPR Portal' at the center, surrounded by 'Registration of Producers, Recyclers, Refurbishers', 'EPR Target Generation', 'EPR Certificate Generation and Transfer', 'Annual and Quarterly returns filing', and 'Periodic Audit and imposition of EC'.

5. The Standard Operating Procedures to be followed by the Producers and Recyclers and EPR Certificate Generation.

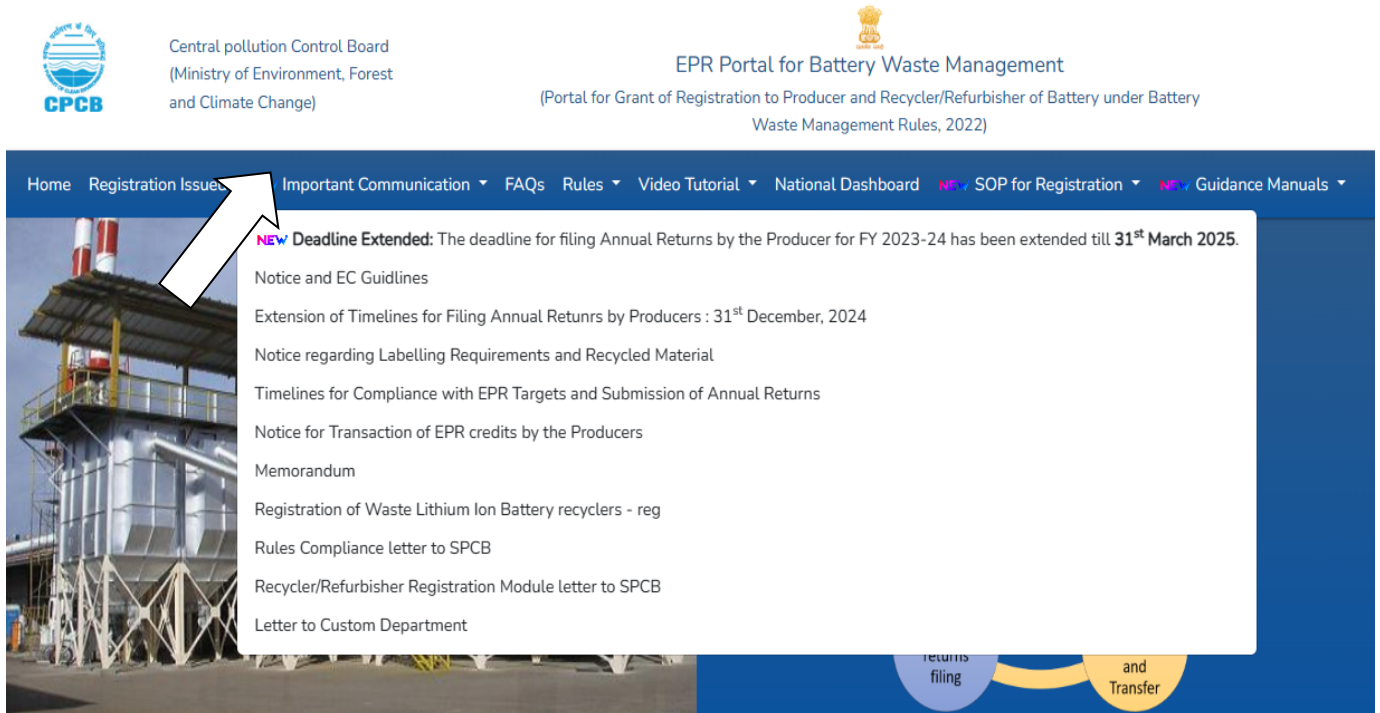

This screenshot shows the EPR Portal for Battery Waste Management with a white arrow pointing to the 'SOP for Registration' dropdown menu. A tooltip lists 'SOP for Registration of Producer', 'SOP for Registration of Recycler', and 'SOP for EPR Certificate generation and EPR Targets'. The rest of the page layout, including the CPCB logo, header, and circular process diagram, is identical to the previous screenshot.
